

Texas Round Dance Teachers Association

From the President

Tricia Morley and Dennis Artz

We are glad to see so many new beginner classes starting in September. This is the way to expand our activity. Remember, “Do your part” and “Do the best you can” to improve round dancing in our area.

If anyone has any new and innovative ideas to increase the awareness and involvement in our round dance activity, please share them with other cuers and instructors. I’m sure all of us want to see more round dancers on the floor. We are always willing to see how we can improve square and round dancing in the area and although we don’t get to see all the clubs too regularly, we are out nearly every night of the week, promoting squares and rounds.

We have several fun activities planned for the next couple of months and hope to see everyone showing off their skills.

ASRDA has the teen scholarship dance at Hyde Park, Sept 21st, and we have the TSFSRD Presidents Dance in La Grange, Oct 3-4th. There is round dancing at each event. Please plan on supporting these dances.

Centex is Oct 11-12th with the Preskitts as clinicians. That is shaping up to be a really nice dance with excellent workshops on Saturday. We are working hard on reviewing some of the Preskitt dances.

The big news of course is that Sun City Sundancers and ASRDA have secured the Sun City Ballroom June 7th, 2025, for a fund raiser for the 75th NSDC. Vernon Jones and Brad Caldwell will be calling, Dennis and I are on the rounds, and Billy Grimsley will be doing lines. It should be a great dance and we are hoping this will be a very successful fund raiser for the Nationals.

Lots to keep us busy in the next couple of months.

Keep Dancing!

Tricia & Dennis

Festival Reports

Festival reports can include festivals in the surrounding states if a good number of Texas dancers attend the festival or if clinicians are TRDTA members.

Newsletter Editor’s Format Request

For those of you who followed instructions – **Thank you ever so much!** It helps tremendously. I will include the following guidelines in my next newsletter request till we get everyone on board with submission requirements:

- Submissions should be in Word or RTF – Please do not send the information in an email.
- List your dances taught with a carrier return at the end of each dance, not in paragraph form.

Your help to make my job a little easier and less time consuming is most appreciated.

Newsletters are published approximately three to four times a year.

If you are interested in attending a club in Texas, please contact the cuer for the most up-to-date information on venue and nights dancing. Many clubs might be closed on the date you want to visit as venues change and unexpected closures happen, or someone is simply not teaching that month. See the TRDTA website at www.trdta.org for the directory information which includes the telephone numbers of all the TRDTA cuers. Email addresses in this newsletter are hot links on each cuer's name.

Rainbow Rounds are deeply saddened by the death of our club president Glen McCrary. Glen died on August 7, 2024. He had been hospitalized after he suffered seizures and a heart attack. Glen and Debbie have been wonderful club presidents for several years. They worked tirelessly to keep the wheels turning. They promoted round dancing, and they organized and helped with a set of beginner lessons. They were also square dancers and were active in CASUL. In addition to dancing, Glen was very active in Rotary and his church.

(The details of Glen's life and years of service are in his obituary on the Dallas Morning News website.)

We haven't been anywhere to teach anything this time due to George's back issues. Unfortunately we missed ICBDA but did get to go to Roundarama and thoroughly enjoyed it. We weren't sure what to expect from George's back after his back surgery, but his work at the gym had built up his stamina and his back surgery allowed us to participate in all the teaches and dance almost everything on the evening programs! We were thrilled silly! I was the understudy for Carol Goss and she was able to do most of the teaches and reviews.

Now we're headed off to work Randy and Marie's weekend in Washington. Hopefully we'll have a dance report for next time.

My, how the time has flown by at one heck of a speed. It is hard to believe that we are coming into the fall season with the start of new dance classes and hopefully some cooler weather.

We have been busy to say the least with a lot of traveling since our last report.

Our first road trip was to ORDA (Oklahoma Round Dance Association) Festival at Lake Murry State Park outside Ardmore, OK. As usual it was a great week sponsored by the Oklahoma Round Dance teachers. Tom Hicks did an outstanding job as the festival clinician. His clinic work helped many of the dancers find the figures easier to complete when they were presented in the dance teaches. Not being someone to buy green bananas, we have already completed and submitted our registration for next April.

May saw us at us at our own Austin Association Mid-Tex Festival. Another great event hosted by ASRDA. Dan Sahlstrom along with Chris and Steve Davis did a suburb job in keeping the program moving and hopping. The dancers thoroughly enjoyed themselves leaving the hall on a very high note.

In June we were gone more than we were home. The month started with our own State Festival in Bryan/College Station. Even though there was a slight problem with hotel reservations, it did not deter our state dancers from supporting the festival. The attendance was much better than what was anticipated. Right after the state festival we were off to Milwaukee, WI, for the Roundalab Convention and then the National Square Dance Convention. We ended every day dead tired but looking forward to what the next day would present. We originally intended to drive home after these conventions and then back to Madison WI for the ICBDA convention. It was during our second day on the road that we realized how long of a drive it was to Milwaukee from Austin. It was then that we decided to purchase round-trip tickets and fly back to Austin to attend Billie & Ramona's wedding. That was the smartest decision we made in years!!

What can we say about the wedding? It was so well planned and organized. Everything fell into place and it turned out beautiful. We sincerely wish the newlyweds many, many years of happiness together.

The next day we were on a plane back to Milwaukee to pick up the van and drive to Madison for the ICBDA Convention. We were a little apprehensive about the Convention, because this was our first meeting as President of ICBDA. There were some festering problems that would have to be settled. To our surprise we made it through the first meeting with the Board of Directors. Our next endeavor was to get through our demo of our dance we were teaching. Ski's butterflies settled down and the demo and the following day's teach worked the way we planned. The next event was our first General Membership Meeting of the ICBDA membership. Once again there were worries that were not needed. I guess once you start running meetings, they all just get easier and easier!! Now it was time to just enjoy ourselves.

Once home it was time for Kay to start working on dances from all the conventions so our local dancers can start enjoying them. We ended up with so many good dances, we will have some great material for

Texas Round Dance Teachers Association

many months to come. We are now putting the final touches on several of our own dances that we will be presenting at several festivals in the next couple of months.

This pretty well completes July, so we are signing off. Take care and hope to see ya down the road somewhere in the near future.

Step ‘N Style Rounds

Dennis and I were honored to be the Vice Chairman of Rounds at the recent State festival in Bryan. We taught a Ph III Cha by the Preskitt’s called Cha Cha D’Amore and it was well accepted. Also at State, Fred and Linda Ayres taught a very nice Bolero of their own choreography. It was a great event and the round dance program was well received. We were unable to attend ICBDA or RAL, so we stayed locally and taught several lessons.

Cypress: We have been busy teaching classes in Cypress while working on many of the Preskitt dances. Dancers are asking for reviews on some Preskitt dances as we prepare for Centex in La Grange, Oct 11th 2024. We are starting a new Rumba class on September 9th at 2:00 pm. At the Meg Weekley Center.

Sun City: Sundancer’s are finishing up their level 2-3 Waltz class and we will be starting a new Rumba class September 8th at 1:00 pm in the Atrium. On September 1 we have a “Let’s All Dance Together” starting at 2:00 till 5:00 pm, also in the Atrium. We dance all levels from 2pm to 5pm. There is a lot of dancing for everybody, so come join us.

We have been working with the Sun City Sundancers and have been successful in securing the Sun City Ballroom, June 7th 2025, for a fundraiser for the 75th National Square Dance Convention. Vernon Jones and Brad Caldwell are calling, Dennis and I on the rounds, and Billy Grimsley is doing lines. It should be a great dance and we are hoping this will be a very successful fundraiser for the Nationals.

Texas Round Dance Teachers Association

Bastrop: Starting new mainstream classes September 12th at 1209 Linden St. in Bastrop at 6:00 pm. We will be working on plus after the beginner class. We have a few couples that like to practice their round dancing on Thursdays at the center.

We have the Teen Scholarship dance on 21 September, 2024. This is held at Hyde Park Christian Church from 6:30 – 9:00 pm. We have Brad Caldwell, Gary Bible, Wayne Weston, Al Frasier, Glen Rogerson, and Dan McDonald calling with Dennis Artz doing pre-rounds from 6:30 -7:00 pm. We are hoping to raise money for the Teen Scholarships that are awarded annually.

October 4-5 is the President's Dance for the Texas Federation in La Grange. Darryl Lipscomb will be the clinician for the weekend. There will be a caller school on Saturday and rounds in the evening, all held at the Randolph Center in La Grange.

Looking forward to a couple of very busy months.

If anyone has any new and innovative ideas to increase awareness and involvement in round dancing, please share those ideas with us and others. We are always willing to see how we can improve square and round dancing in the area and although we don't get to see all the clubs regularly, we are out nearly every night of the week dancing, cueing, instructing, or in some manner attempting to promote square and round dancing.

Lots to keep us busy in the next couple of months.

Keep Dancing!

Carousel Club #385

These past months have been super busy for us. JL was busy as Night Program Chair the ICBDA Convention in Madison, WI in July, and I was still learning the ropes for the Secretary position for ICBDA. Then we were asked to teach at ICBDA too. Fortunately that dance was already written and had not yet been released. It was just a really busy time. Billy Grimsley and Ramona asked us to do the cueing for their wedding reception just before ICBDA. It was really a blast, and we really had a great time.

Then we took the whole month of August off for a vacation from dancing. First time we've ever shut down our classes and club for a whole month. Usually we only take off a week at a time, even at Christmas.

We planned about three weeks being gone because of all the driving to upper Michigan for a Road Scholar trip to Sault St. Marie and Mackinac Island. Fabulous trip, but a lot of behind the windshield time, particularly for JL as with my double vision, driving unfamiliar roads makes us both anxious. Highlights of the trip included the stop at the Gateway Arch in St. Louis as JL had never been in the arch, a great documentary film about the building of the arch, and a short ride on the Mississippi. The Abraham Lincoln Presidential Library was fantatastic in Springfield, IL. We definitely recommend that stop if in Missouri. The Road Scholar trip is always a great week and Mackinac Island was fantastic. Then we proceeded up to the Upper Peninsula of Michigan to see the Shipwreck Museum, took a boat ride to view the Pictured Rocks, and then headed back south. Oh, and the best part – once north of Missouri we had wonderfully COOL weather the entire time!

Note, I am hoping I can finally get eye surgery for the double vision in the next month or two. It was originally delayed from May due to a test they wanted to repeat after a three-month wait.

Ronde Rounds – Sunday afternoons from 1:00 to 4:00 p.m. – San Antonio area

We just graduated our beginning Waltz class. We had a wonderful surprise at our last Waltz class, Ilona and Stefon Lankuttis, along with their friends Wolfgang and Brigitte came by to dance with us. Ilona cued some for us and demo'd a couple of the dances they taught in Eureka Springs.

We're preparing to start beginning Latin classes: Rumba, Cha, and Bolero. We've never tried teaching them together, but we've got a mixed bag of members, some have had Rumba/Cha but not Bolero, some haven't had any Latin, and a few couples coming to start their dance experience. So, our solution was a longer than normal class with all three rhythms.

Our more experienced dancers have been out traveling for the summer, but before they all left, we did cover:

- Hey, Rumba, 4, Preskit
- Photograph, Rumba, 4, Mee

Looking forward to Centex, seeing friends, and getting some floor time.

Hope to see You Dance,
Ron & Pat Plouch
