

From the President

What a difference one newsletter makes. My last note talked about 100 degree temperatures and no rain. Now the days have cooled into the 80-90's and there has been plenty of rain at least in our area. We may actually have a fall season this year.

Some of us have started a new set of beginner lessons and I hope that there has been enough new dancer interest to make full circles in your dance hall. Many areas are seeing a decline in dancers mostly due to age related disabilities. We need replacements.

Centex is a Phase 3-4-5 festival in La Grange on October 12, 13, and 14. Randy and Marie Preskitt are the clinicians. If you have never attended Centex, it is great fun, and there could be some last minute cancellations if you or someone you know would like to attend.

Speaking of La Grange, the TRDTA South weekend in February is fast approaching. If you have not taught at this festival in the last couple of years, please consider attending and sharing your talents.

Dues for the current year became due July 1. If you have not sent them to Tammy, please do so now. Our bylaws state that the Treasurer will send out a delinquency notice and then membership will be forfeited for non-payment of dues. If your situation has changed or you no longer wish to continue your membership, please send Tammy a note to that effect to shorten her notification list.

Happy cueing, dancing, and waiting for Fall.

Martha and Ed Koslosky

From the Treasurer

Dues are Seriously Past Due

Editor's Notes

I've realized asking for a timely submission of dance teaches earlier than the end of the month, was not the best request. So going forward, newsletter submissions should be sent immediately after the month ends and the publishing of the newsletter will then be shortly after the first of the month. Hope that helps everyone in submitting their information.

To help me in compiling the dance information, please use the following format for submission of your dances taught for inclusion in your club news and use Roundalab's standard abbreviations for the rhythm:

Dance name, phase level, rhythm, and choreographer's last name

For example – Sam's New Pants, 4 FT, Finch

Please list only the primary phase level for dances taught. Full information on phase levels with plus and unphased figures will be included on new choreography.

The next date for submissions to the newsletter is November 30 with a planned release date of early December. I will do my best to send a few reminder notices, but it is most appreciated when you respond immediately to my first request for submission of your information. Thanks you so much. Remember that without you, there is no "news" in the newsletter.

Festival Reports

There were no Texas festival reports submitted for this newsletter.

Cuing News a-Round Texas

News a-Round Texas includes all information from cuer members about their lessons and club received by the newsletter deadline which is the end of the month before the mid-month publication date – February, April, June, August, October, and December.

If you are interested in attending a club in Texas, please contact the cuer for the most up-to-date information on venue and nights dancing. Many clubs might be closed on the date you want to visit as venues change and unexpected closures happen, or someone is simply not teaching that particular month.

See the TRDTA website at www.trdta.org for the directory information which includes the telephone numbers of all the TRDTA cuers. Email addresses are included beneath each cuer's name.

The only think we have to report right now is that the weather has been great and the bier is flowing with great taste. We are in the Alps of Austria heading back to Germany for a few days before.

Having a great time along with the tour group. We do hope the weather continues the way it has been for it has been great.

Things bot hectic before we left so we will send updated dance information in the next newsletter.

Have a great time at Centex!

Correspondence from Jerry and Lucy relating to John and Norma Jean Becker in a reply to Norma Jean:

Thanks for the update on John's surgery. We hope and pray that he isn't having too much pain. We pray for his speedy recovery, and a "qualified buyer: for your house. We love the January Jewel. It's one of our favorite festivals. We always have lots of fun and learn a lot from all the past cuers, especially John. We were sad to hear that you gave up your club in San Antonio, but we look forward to seeing you next year at the Jewel. By then, John should be all healed up and feel like a new man.

Take care and see you down the road. Just let John know that it took three couples to replace him. I hope that we do him proud!!

It's been a busy couple of really busy months – and we thought after ICBDA it might settle down. Not!! August we headed for Eureka Springs for four days with Kristine and Bruce Nelson for their Week B festival. It's always a lot of fun for us. A bit of a plug because all festival can use the advertising, but this is a hidden gem of instruction with various levels. Week A is Phases 3-5 (think mostly 4s and maybe an easy 5 teach), Week B is 3-5+ with a little bit more phase 5, and finally Week C is 4-6. It starts out with a Sunday evening dance, then three full days of morning and afternoon teaches and an evening dance. You can pick your level of dancing and have a really nice vacation in Eureka Springs too. We'll post the flyer on our website as soon as we get a flyer from Kristine and Bruce.

So, unfortunately, that week of dancing in Eureka Springs did a final number on JL's knee. He stepped backwards off a trailer in 2008 – thought the trailer was longer – right into a hole and tore the meniscus in his knee. Not that he knew it at the time, but all the dancing these years have continued to aggravate the knee. So, in early September he had arthroscopic repair to the knee. Now four weeks into rehab, it is indeed healing, although he is being cautious. That will be five weeks since knee surgery so we may still be cautiously dancing.

Dance Arouns dances Tuesdays evenings – 7:15 to 9:15 p.m. – Plano, TX

- The Sun, the Sea, and the Sky, WZ 4+2, Bradt
- Kindred Spirits, BL 4, Gloodt
- Cuando Me Cha, CH 5, Preskitt
- Reviewing dances for Centex

Beginning Jive Lessons – Saturdays – 11:15 a.m. to 1:15 p.m. – Plano, TX

We finished up our Jive class September 1. Here's a lit of the dances the students worked on during July and August.

- Boogie Time, 4 JV, Gloodt
- Boot Scootin' Boogie, 3 JV, Koozer
- Breaking Up Jive, 4JV, DeZordo
- Calendar Girl, 4 JV, Rotscheid
- One Foot in the Bayou, 3 JV, Woolcock

Beginning Waltz Lessons – Saturdays – 11:15 a.m. to 1:15 p.m. – Plano, TX

We are just beginning this class. We have 15 couples – Wow! – and the majority of those students are not square dancers. That has created a bit of a challenge. We need to teach them figures that will get them out on the social ballroom floor, but still make sure our square dance students can dance some easy Phase 2 waltzes.

Ron and Pat Plouch – San Antonio, TX

Contact email: ron.pat.dance@gvtc.com

We finished our Rumba/Cha Cha classes with our beginning level dancers, and have started Two-Step. We gained a couple additional dancers with the new rhythm, but had to wish some others a good summer as they began traveling for the Summer Season.

Ronde Rounds dances Sunday afternoons from 1:00 to 4:00 p.m. in the San Antonio area

Our beginning level dancers looked at:

- San Francisco, TS 2, Jordan
- Frenchy Brown, TS 2, Tetzlaff
- Little White Moon, TS 2, Wilder
- Hold On Partner, TS 2, Hixson
- Chili Sauce, TS 2, Hickman

In our intermediate level we have concentrated more on floor time due to the summer travel season, however, we did look at:

- Cuando Me Enamoro, RB 4, Gloodt
- Legends of the Fall, WZ 4, Gloodt
- Mi Vida, RB 4, Read
- Out of Africa, WZ 4, Shibata
- Rhythm Cha, 4 CH, Lee

We are continuing to work with TSFSRD on the round dance program for the 2019 Festival, and several cuers from TRDTA have volunteered to cue at the festival and have offered program suggestions.

Thank You!

There are still several cuers I haven't heard from, but if you're willing to cue at the festival, please let us know. The level will be primarily Phase II-IV with a couple of Vs, however, based on suggestions we are planning to allocate a 30-minute time slot dedicated to the Phase V-VI dancers. I know that is not a lot of time, but we want to have as many dancers able to dance as much time as possible. We will provide more information on the festival as TSFSRD finalizes their plans. What we can tell you is that the entire facility has wood floors, so no matter what the final room allocations are, we will have wood floors.

Hope to see you round.

New Choreography by TRDTA Members

If the information was included by the choreographers, choreography includes an active link so you can download the cuesheets. Otherwise, please search Roundalab's Index of Rounds for the cuesheet.

List of Dances Taught at Clubs During August and September

This list includes all dances taught over the last two months at various TRDTA member clubs within the state of Texas. Dances marked as reviewed are not included in this list. Dances listed two or three times were taught by different instructors during the two-month period.

Editor's dance guidelines – Please submit dances taught (not just reviewed) as name of dance, then a comma, then the phase as an Arabic number (not Roman numerals) without any of the plus or unphased figures, then the Roundalab two letter abbreviation for the rhythm, then another comma, and finally the choreographer's last name. If you like having this listing, please help me with submission of your dances in the requested format. Thanks ever so much.
